TEACHERS2PARENTS

As many of you will know as a school we subscribe to the teachers2parents text messaging service whereby we send out message to all parents/carers, but are not sure if you realise you can send the school messages back (ie to let us know your child/children will not be in school for whatever reason) or to let us know other information on a day to day basis. If we have sent you a message you can reply to that message or you can send a message to 07786208896.
